

**LabVine™**

**LQSS**2024  
LAB QUALITY SEASONAL SCHOOL

**DATE: FEBRUARY 06 – 07, 2024**

**TIME: 13:00 – 16:00 UTC**

## Call for Abstracts

We are extending an exclusive invitation to esteemed industry leaders and experts to participate as speakers during our upcoming Laboratory Quality Seasonal School in 2024. As a distinguished gathering of laboratory professionals and decision-makers, our event provides an unparalleled platform for thought leaders to showcase their knowledge and share it with our targeted audience.

Fostering a culture of quality excellence, efficient quality management, rigorous quality control, and strong leadership are not merely goals but necessities. The demand for high-quality, reliable, and accurate laboratory practices has never been greater, making it imperative for laboratories to be at the forefront of this transformation. We believe your expertise and insights would greatly enrich our event and inspire participants in their pursuit of excellence in laboratory quality.

### THEME:

#### LEADING THE WAY: CULTIVATING A CULTURE OF QUALITY EXCELLENCE

##### Day 1: Quality Culture Integration

- ✓ Identifying the Need for Quality Culture in the Laboratory
- ✓ Incorporating Quality Culture into Laboratory Standards
- ✓ The Role of Competency Assessment in Quality Culture
- ✓ Ongoing Improvement of Team Culture to Deliver Quality Results
- ✓ Building a Quality Culture: Leadership and Change Management
- ✓ Embracing Technology for Quality Culture Integration

##### Day 2: Standard Implementation and Management

- ✓ Ethical Considerations with Standards in the Laboratory
- ✓ Recommendations on ISO 15189:2022
- ✓ Effective QMS Management and Maintenance
- ✓ Achieving Excellence in Internal Audits and External Assessments
- ✓ Navigating Regulatory Changes and Compliance Challenges
- ✓ Data Integrity and Documentation in Laboratory Standards

*This is the provisional structure, setting the guideline, and is subject to change.*

To submit an **Abstract for Consideration**, fully complete the **Abstract Submission Form** on the next page. Abstracts will be evaluated for innovation, thought, leadership, value, interest, and conformance to the seasonal school's theme.

**Completed Abstract Submission Forms to be submitted by November 30, 2023 to:** Wiktor Kouri at [wiktoria@labvinelearning.com](mailto:wiktoria@labvinelearning.com) or [info@labvinelearning.com](mailto:info@labvinelearning.com) | Contact Number: **+27 72 810 3657**
